

St.Peter's Pre-School
Southend Bradfield

Sports Day

Dear Parents/Carers

This year we'll have our sports day on **Friday 23rd June** which will take place on the field behind pre-school. All children are invited to attend this event as are their friends and families.

Can we please ask that you drop your child off at preschool at **10:00am** dressed in their team colours. Parents can then move to the field while we prepare the children as racing will begin at **10:30am**. When the races are finished each child will be presented with a medal and certificate for their hard work. We will then sign your child out of session and they will then become the responsibility of you or their carer.

At the end of our sports day there will be an opportunity for refreshments with thanks to the committee.

If you have any questions or would like to help please pop in and ask.

Hope to see you all there
Tina & the Team.

P.s If weather stops play... we will endeavor to let you know a.s.a.p. if we need to cancel the event.
