Spring Term 2

Dear Parents

Welcome back to what we hope will be a 'warmer' spring term 2. Firstly, we would like to welcome James & Bailey to our St. Peter's family and hope they enjoy their time with us.

This term we continue with our Animal topic. The children have really enjoyed our activities so far and have especially enjoyed looking after Snuggles the Tortoise.

During spring term 1 we began making a photo box of our pets; we still have space for more photos so please can we ask for photos of pets to be sent in (if you haven't done so already).

Shortly I will be ordering a caterpillar garden and an ant hill habitat so the children can have a 'hands-on' experience of these insects. Hopefully we will witness how caterpillars turn into butterflies and watch the amazing mazes that ants make in their homes. All of this will be documented on Facebook, so please

make sure you like our page in order to see all the updates.... Better still you could always pop in and let your child show you!

When -the weather gets warmer we are hoping to make our playground and garden look at bit prettier. Liz has very kindly purchased two new benches for the playground so we're off to a good start already. If you have any spare plants or flowers that you would like to donate - we would be very grateful.

Let's hope storm Doris & Ewan has made way for calmer times as we enjoy spring time!

Tina and the team.
