

St. Peter's Pre-school Newsletter

Dear Parents

Summer Term 2

Welcome back to our busiest term! Firstly, we would like to welcome Erin, Oliver, Louis, Francis, Millie, Robin, Percy, Joey & Elliot to our St. Peter's family and hope they enjoy their time with us. We would also like to send out our congratulations to Wendy for becoming our new deputy and my new right-hand woman!

This term we are investigating the 'outdoors for our topic. To kick this topic off our caterpillars have arrived, the children are very excited about the caterpillars and can't wait for them to turn in to butterflies - we'll post pics on Facebook each week so you can see they progress. We were hoping to get an ant hill but getting ants is proving to be a little problematic!

During the first part of the term we will be counting cars as they go by to see which colour is the most popular, In the big room there will be a building site & garden centre role play, we'll be making papier mache hot air balloons and we will begin our planting. Looking ahead to

the second half of the term, we have several visitors due in, a sports day and of course a graduation service.

For some, we'll be having a transition afternoon as we begin to think about 'BIG' school. We've already arranged a visit to Bradfield Primary school for the children who will be joining in September and we've been in contact with other schools with an invite for the reception teacher to meet your child. The transition afternoon is an opportunity to discuss your child's progress with your key worker or to ask advice about moving on - letters will go out shortly.

We'll let's hope the weather stays warm and dry so we can have as many 'outdoor' activities as possible!

Tina and the team.
