Autumn term 1

Dear Parents/Carers

Welcome back we hope your summer was filled with warm 'relaxing' days and that you are ready to prepare for autumn! This term we send a big welcome to Amelia, Archie, Esther, Nathaniel, George, Jensen & Connie - we hope they enjoy their time at St. Peters preschool.

This term our topic is about Animals and then later celebrations. We have several planned visits to support this topic. We have Wings of Freedom coming in to show us birds of prey that are hopefully going to be released back into the wild. We'll have a guide dog in teaching us about how it helps its owner. Plus we are hoping to take a local trip to our neighbours to feed the chickens.

During our Animal topic we will be thinking about wildlife by making bird feeders to help them feed. We'll create a pet's role play and thinking of the pets we have at home.

We would like to make a photo box of our pets so please could you send in a photo for us use. We'll be popping over to the field looking under rocks as we go mini-beast hunting. We'll have ice to play with and pretend we're penguins then we'll be investigating what types of animals live on a farm.

This will then lead us into hibernation and looking at the changing colours of leaves. We'll then begin Autumn 2 with 'celebrations'.

We are hoping to pop over to visit Bradfield School sometime this term to see how our leavers are getting on - we'll send out more info when know the date.

If you have any questions or anything you would like to share with us, please feel free to speak to any member of staff.

Tina and the team.
