## Spring Term 2

Dear Parents

What a busy term we have had!

We would like to welcome our new starters - Alex & Isaac to our St. Peter's family; we hope they enjoy their time with us.

This term we have been learning about 'People who Help us'. We've learnt that there are many people who help us through life. Our families and teachers help us grow and teach us the things we need to move on to the next stage of our life. Emergency service people help keep us safe and make things get better when things go wrong. We've learnt how important construction workers are as they build the entire infrastructure that we need so everything keeps moving. We learnt that the postal service help us to deliver things we need including items to the shops that then land up in our homes.

Next term we will be exploring the great Outdoors. We'll take our learning outside as much as the

weather allows us! We'll create dens and go on mini beast hunts. We'll have a campfire and roast marshmallows. We'll tidy up the village and go litter picking. We'll travel to St. Peter's beach and sort some seashells there. We'll be planting and thinking about different sports and staying healthy.

We are hoping to update our garden area too so we'll be out there exploring all the new activities.

Please look out for our Facebook pages to keep you up-to-date with all the things we get up to while exploring the great Outdoors!

We wish you all a very Happy Easter.

Tina and the team.
