Summer Term 2

Dear Parents

We are coming to the end of our 'Outdoors' topic. For the next couple of weeks we will be thinking about sports and being active and ending the topic with Sports day. If this lovely weather continues we shall be outside most of the time so if the children want to bring their own scooters or bikes they're welcome to.

We've had a very busy summer term 2. We returned to Teddy Bears picnic; we went on a Bear Hunt in the rain and made our own sandwiches and pizzas for snack. We experimented using different bases for the pizzas and we were all brave enough to give new foods a try.

We then moved on to creating our own beach at preschool. We dived into the 'ball' ocean and swam with the sea life creatures. We used inflatables to keep us afloat, we made ice-cream pictures and sorted shells depending on their size.

For the next two weeks we will be practicing for our sports day races, we'll be measuring how far we can jump, having malteser races, having a go at balancing and watching some inspiring athletic videos as we learn we can get information from the internet.

For the very last few days of term we have left our planning blank so the children can bring in their own toys and games to enjoy.

As we come to the end of another year, we would like to wish all of our leavers every success for their new adventures at big school and wish everyone a happy summer!

Thank you for your support throughout the year, Tina and the team.
