Autumn term 1 2019

Dear Parents/Carers

Welcome back, we hope your summer was filled with warm 'relaxing' days and that you're now ready for autumn! This term we send a big welcome to Alfred & Thomas who have joined us - we hope they enjoy their time at St. Peters preschool.

This term our topic is about Animals and then later celebrations. We have a visit from Owen's Animals planned to support this topic; He'll be showing us a variety of animals and teaching us all about their habitat, their life cycles and how to look after them.

During our Animal topic we will be thinking about wildlife by making bird feeders to help the birds find food. We'll create a vet role play and think about how we take care of animals especially the pets we have at home.

We'll be popping over to the field looking under rocks as we go mini-beast hunting. We'll have ice to play with and pretend we're penguins from the Antarctic. We'll then investigate what types of animals live on a farm and maybe get a visit from a tractor! This will then lead us on to hibernation and looking at the changing colours of leaves.

We'll begin Autumn 2 with 'celebrations' and practicing for our Christmas performance.

We are hoping to pop over to visit Bradfield School sometime this term to see how our leavers are getting on - we'll send out more info when we know the date.

If you have any questions or anything you would like to share with us, please feel free to speak to any member of staff.

Tina and the team.

Points of interest

The week commencing 30th September we will be having a P.J week. All children are asked to come to preschool in their pyjamas with a £2 donation for the week.

This is in aid of a local girl who needs a Tobii Dynavox system to help her communicate due to Rett Syndrome.

There will be a colouring competition with a prize for the winner - please ask if you need another!
