Autumn term 1 2020

## Dear Parents/Carers

Welcome to Autumn term 1. We welcome back those who were members from before lockdown and we welcome all our new families - we do hope you enjoy your time at St. Peters preschool.

This term our topic is about 'Shape & Colour'. We will be looking at colours and how we make new ones or different versions of our favourite. We will be using our colourful PE equipment and playing matching games in the playground. We will be making rainbows and investigating different types of shapes in art such as mosaics, silhouettes and stained glass. We'll tackle some colour experiments and have as you already know, we'll have a lunch box challenge.

As the season begins to change, we will be thinking about looking after our wildlife and wishing our neighbours a happy harvest. We plan to post well-wishing cards through their doors when we go for a village walk.

We'll be popping over to the field looking under 'things' as we go mini-beast hunting. This will then lead us on to hibernation and looking at the changing colours of leaves.

We'll begin Autumn 2 with 'celebrations' as we start to think about Christmas!

If you have any questions or anything you would like to share with us, please feel free to speak to any member of staff.

Tina and the team.
