Autumn term 2 2024

Dear Parents/Carers

Thank you to everyone who attended our Nativity performance and our Christmas Fayre. Most of the children had either just got over an illness or were still working their way through one. So, I'm proud that each of them took part and played their role.

We've had a quiet but fun filled autumn term 2. We've, explored the story of Guy Fawkes and his naughty friends, we made a poppy tribute for the fallen soldiers, we've had fun smearing shaving foam around the tables, we've played with glittery Reindeer food and been busy making items for the Christmas Fayre.

For the remainder of the term, we'll be creating wonderful Christmas crafts and watching Christmas movies as we turn our role play room in to a cinema. We will end the term with a party and a visit from Santa!

We return on Monday 6<sup>th</sup> January; we will also be welcoming some new families, which is always exciting.

Our new topic for spring term will be - 'Shape & Colour. We'll be experimenting with different textures, looking at colours through different lights sources and creating artwork on different types of surfaces. Our daily phonic and math sessions will also return as well as the introduction of 'Wellie Wednesday' (*more info to come*).

We've had a bit of a slow start to the new academic year but we look forward to things getting back on track and for January 2025.

Thank you for your support, we all wish you a very Merry Christmas and a happy new year!

Tina and the team.
