Spring Term 1 2021

Dear Parents

Spring term is now in full swing; we've settled back with some of our friends missing but we're beginning to get back into the preschool routines. I know it seems ages ago, but we would just like to thank everyone who gave staff gifts at Christmas - we loved everyone.

Our topic for this term is 'Animals'. We have already looked at our wildlife animals and made bird feeders, we hung some in our garden and some around the village. We have now moved on to pets; we have set-up our own vets at preschool and have helped animals ranging from snakes to camels! We have enjoyed looking at photos of pets from our own home and agree everyone of them are super cute.

Next week we move on to exploring Artic animals, we'll make some fake snow and feel how cold ice is and will make Peppermint creams with artic footprints.

After half term break, we will look at wild animals and make our own Elmer elephants. We will then move on to mini-beasts and investigate the field and garden to see how many different types of bugs we can find!

We will end the topic visiting farming and farm animals, we'll consider how farms play an important role in our lives from an egg to a tractor.

We will end the term with a week of Easter fun. Also, for fun, we'll do a bit of fundraising by asking the children to fill a smartie tube and dressing up on world book day.

Fingers crossed the weather will begin to get milder and we get to spend more of our learning outside.

Tina and the team.
