Spring Term 1 2022

Dear Parents

Spring term is now in full swing; we've settled back and have made new friendships with Sienna, Raphi & James - welcome to our preschool guys.

I know it seems ages ago, but the staff would just like to thank everyone who gave us gifts at Christmas - we loved everyone and was very spoilt!

Our topic for this term is 'The Outdoors' - we'll begin by exploring Space. We have created our own space station and rocket so we can visit stars, planets, and the moon. We'll learn that there's a flag on the moon and will try and see if it can be seen at night.

We'll then re-visit life-cycles of butterflies and frogs as we start moving toward Spring. This will take our learning outside as we go in search for mini beasts, spider webs and other animal homes.

We'll make compasses to help us navigate the village while we look for bugs. As we walk, we'll make sure we pick up any litter too.

As the season changes from Winter to Spring, we'll be looking at other changes too, such as colours, weather and things growing in our garden and flowerpots.

We will finish the topic by visiting farming before we celebrate Easter.

The term will end with a visit to Rushall farm. While there, we'll take a tractor from the Black barn to the farm and see the animals and end the day with an Easter egg hunt and Easter Bonnet Parade. Fingers crossed the weather will be nice!

As always, if you ever have any questions or queries, please do get in touch.

Tina and the team.
