Spring term 1 2025

Dear Parents/Carers

Welcome to Spring term 1. We would like to say a big Hi and welcome to Darcey, Freddie, Hugo, Rebekka, Fred and their families - we do hope you enjoy your time at St. Peters preschool.

Our topic for this term is 'Colour & Shape'. The children have already produced some wonderful and colourful creations, such as colour tracing paintings and colour monsters, and there's more to come. We will be investigating shape alongside all the colour themed activities on our planning. We currently have an investigation room set-up. It's as dark as we could make it; with lots of sensory light resources, such as floating jelly fish in bubbly coloured water, torches with colourful lenses, bead frames and my own magical disappearing solution!

We will continue with creating rainbow spectrum wheels, discussing primary and secondary

colours. We will investigate textures using colourful Jelli- bath and moon sand. Plus, we'll be looking at different colours and shapes when we start going out for our Wellie-Wednesday time. Wellie-Wednesday will have us looking at leaf shapes, handprints, track marks and colourful bugs... if we can find them!

After the half-term break, we will be making pizza, vegetable printing, practising name writing and exploring our farm sets as we prepare for a visit to Rushal farm to end the term. *(more info will be sent out later about this trip)*

If you ever have any questions about any part of your child's time with us, please feel free to get in touch,

Tina and the team.

Notices

- Help us fundraise by signing up with [Easyfundraising.org.uk](https://www.easyfundraising.org.uk)
- Please send your child in with named belongings.
- We are considering opening up Monday afternoons, but we will require a minimum number of children for this to go ahead - if it's something you would consider, please let Tina or your keyworker know - we aim for this to begin after Easter.
