

St. Peter's Pre-school Newsletter

Spring Term 2 2020

Dear Parents

What an uncertain time it has been over the past few weeks. I hope you are all well and safe.

During our absence staff will be at home completing online courses and keeping their files up to date in the preparation for our return. IF it turns out we don't return until the start of Autumn term we will make sure that we have some kind of 'get-together' to celebrate the end of preschool for our school leavers... hopefully we'll see you all before that though!

As you are aware Ofsted came for their inspection; although we didn't remain outstanding, we are pleased to receive a 'Good' Ofsted rating. Quite rightly the criteria for outstanding is much harder to achieve so aiming high will keep us on our toes!

Thank you to those who took the time to complete our parents survey, it's always lovely to hear your kind words and suggestions.

This term we have been learning about 'Travel & Transport'; we have created our own train station so we can travel up and down the country, an aeroplane to fly to Disney world and a construction site with lorries that transport goods to us. We've played with coal that makes steam engines go, we've sat outside making tally charts of passing cars and found not many people own a yellow car! We've investigated sinking and floating and what the safety flags on a beach mean plus we made lots of traffic light biscuits! As you can see, we've had lots of fun this term.

When we return to normal -we're hoping to continue improving our garden area with additional colourful busy walls and the completion of the fire station. Let's keep our fingers crossed we're back for the summer.

We wish you all a very Happy and extra-long Easter break.

Stay safe Tina and the team.

Dates for your Diary

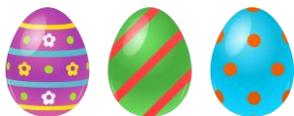

We will keep you posted of the date we plan to return; this will depend on government guidance.

Points of interest

We would like to say a **HUGE** thank you to all our parents who are frontline NHS workers or key workers who are still providing a service in these unprecedented times.

**Thank
You!**

Please be assured that the preschool will undergo a deep clean while the children are away.

Notices

- Please could parents of children leaving for school in July inform us of their school placement when they receive their offer.
- Please could we ask parents to name their children's belongings.
