Spring Term 2 2021

Dear Parents

As we make our way to the end of Spring term, we would just like to welcome back those returning after lockdown and our newcomer, Billy and his family.

Our topic this term is 'Animals'. After half term break, we looked at wild animals and made our own Elmer elephants as we explored colour and the Elmer stories. We then moved on to mini beasts, we investigated our garden and looked under logs to see how many different types of bugs we could find... we found lots of worms!

We are now coming to the end of looking at farmyard animals. We've enjoyed textured play by using different cereals in our tuft spot. We added tractors &

trailers to help us move the cereal around. We were lucky to have a fabulous PowerPoint presentation sent to us from a veterinarian student telling us about dairy farms, so hopefully you've heard some new words such as udders and heifer coming from the children recently. We also have a Potato growing PowerPoint to watch next week that was sent to us from a farm management student. All of this shows us how farming plays an important role in our lives.

We will end the term with a week of Easter fun and crafts. I hope the weather is kind to us and you all get to enjoy a lovely Easter break.

Tina and the team.

Dates for your Diary

31st Mar - End of term - **There will be no afternoon session.**

19th April - Summer Term Starts

5th May - Mark Kennedy
Photographer visit

Wings of Freedom Visit - date TBA

June - Teddy Bear's Picnic

Friday 18th June - Owens Animals
Visit

9th July - Sports/fun Day

20th July - Graduation/end of
Summer Term

Points of interest

Parent Referral Incentive

From Summer term, if a new family takes a place at St. Peter's preschool due to a referral from a current parent, they will both benefit. We will waive the admin fee to the new parent and refund half a terms snack fee to the current parent.
