Spring Term 2 2025

Dear Parents

As we come to the end of Spring term, we keep our fingers crossed that the Spring weather actually begins!! This term we welcomed Waniya to St. Peter's preschool; we wish her well and hope she enjoys her time with us.

We've had lots of fun this term exploring shape and colour; the investigation room and Pizzeria was so popular it was extended for an extra week. We've created colourful hand monster crafts, explored texture through Gelli-Bath and moon sand and created our own version of a photo crayon box.

For the remaining weeks of the term, we will continue with our topic but the focus will be on our upcoming trip to Rushall Farm and Easter.

At Rushall farm, we'll see animals, explore the bluebell wood, have an Easter egg hunt, enjoy a bumpy tractor ride and end the morning with an Easter Bonnet parade.

This term we introduced Wellie-Wednesday which has been a 'muddy' but roaring success. The photos say it all and we hope the children have come home sharing their adventures with you. We plan to continue Wellie-Wednesday through to summer term 1.

Our summer term topic will be about 'People who Help us', so if you know of anyone who would be willing to visit and share their important job roles with us, please let me know as these types of visits really enhance the children's learning.

At the end of the term, we will be sending out a 'Sponsored Find' challenge to complete during the Easter holidays... just in case you need something fun to do while helping the preschool raise funds.

Thank you for all your support,

Tina and the Team
