## Summer Term 1 2024

## TEAMWORK

Dear Parents

Welcome to summer term 1. This term we would like to welcome Jack, James, Jovan and Ted to our St. Peter's family, we hope they enjoy their time with us.

This term our topic is 'Emotions'. We noticed over the past few terms that there's been an increase of children needing support to work with their peers, so we thought we would concentrate on lots of team work and mutual respect. First, we needed to get to know each other and make sure we all knew each other's names, we did this with lots of fun circle games and some brilliant friend portraits. We now begin our activities that bring us together.

For the next four weeks we will be finding out about our families and our experiences. We'll have a home corner to work together and to have chats, we'll create family trees and portraits and share experiences.

We will then move on to Special events that we have had with our families, such as celebrations and holidays. To end the term, we are all invited to a Teddy Bears picnic.

After the break we will continue our topic as we prepare some of our older children for BIG school!

Tina and the team.
