Summer Term 1 2025

Dear Parents

Welcome to summer term 1.

This term we would like to welcome Lola & Aurora to our St. Peter's family, we hope they enjoy their time with us.

This term our topic is 'People Who Help Us'. We noticed over the past few terms that there's been an increase of children needing support to work with their peers, so we thought we would concentrate on lots of team work and mutual respect.

We start our topic looking at construction; we're set-up a construction worksite in the role play room and challenge the children to build something together, let's see what happens!

We will then have discussions about VE day and celebrate the special event by creating our own snack using recipes from the 40's. Please bear in mind when sending in lunches that we'll be eating sandwiches, Yorkshire puddings & bread pudding for snack that week.

We then move on to people who help us with specialities, such as opticians, doctors & dentists. Throughout the term we will be including ourselves as 'people who help us' as we encourage the children to help others and to be kind to one another.

After the break we will continue our topic as we prepare some of our older children for BIG school!

Tina and the team.
