Summer Term 2 2021

Dear Parents

What a tricky few weeks we've just had... the cancellation of Teddy Bears Picnic, cancellation of Owen's Animals visit, a covid scare and now unfortunately I have to report that we have cancelled our fun day preparations. But we still have sports day and the end of term party to look forward too!

We're now coming to the end of our animal topic as we look at our last story which is The Three Little Pigs. We all seem to know this story so this morning the children decided they didn't need the story book as they are keen to act out the story themselves... we'll try and get this recorded and sent out to you so you can see how they get on.

Our topic for Autumn will be 'People who Help us'.

As we come to the end of term, we'll be cleaning our toys ready for the Autumn term, we'll be taking advantage of being outside and for some of us, we'll be getting ready for school!

We've had quite a disruptive year this year - we haven't had much chance to raise funds and complete projects that were planned but I'm hopeful that when we return in September, we'll begin to see some kind of normality... fingers crossed!

Fingers crossed also that the weather begins to brighten up and stay that way for the new few weeks as we enjoy what's left of the term.

Team
