Summer Term 2 2024

Dear Parents

What a busy term we are having, we've been talking about emotions. We are learning that it's ok to feel anger, sadness, frustration and anxiety but it's very important that we act and respond appropriately to these feelings.

We have been investigating food, oral health, germ contamination and being kind to animals to keep both our mind and our body healthy. We've been having conversations about individual family traditions and celebrations to promote mutual respect. And we've been learning about each other's likes and dislikes.

After our sports day we will begin to slow down and begin cleaning all the toys we've used this year. It's great to see and hear the children come together as they love cleaning, especially when there's bubbles!

Half of our children will be moving on to big school and of course, we wish them the best of luck. We'll be having an end of term party to send them off.

End of year reports for leavers and blue learning journals for those remaining will be going out soon. Please can we ask you to sign and return the parent comment slip. Blue learning journals will need to be returned by the beginning of Autumn term.

Fingers crossed we continue to get more spells of warm weather as we plan to get our paddling pool out, so please can you send your child in with swimwear and a towel from Monday 1st July..

Also, during hot weather, please can you ensure a named water bottle, sun hat and sun cream is supplied.

Enjoy what's left of the term!
