Summer Term 2 2020

Dear Parents/carers

Welcome back to the last few weeks of the summer term. We have already completed the first few days and I'm happy to report all went well. The children came in happy, went out happy and enjoyed being with each other again.

Things are slightly different at preschool at the moment but the measures we have put in place have worked well. We will be reviewing our Covid-19 policy toward the end of August; we're hoping to relax some measures, but most measures will remain in place for Autumn.

Usually at the end of summer term we celebrate our leavers with a graduation service, unfortunately this will not be taking place this year. We will however make sure each leaver receives some kind of memory keepsake of their time with us at St. Peter's preschool.

Not only will we be saying goodbye to our school leavers we'll also be saying farewell to two staff members, Magda & Natasha. We would like to thank them both for everything they have done for St. Peters preschool and wish them the very best for their future adventures.

For those remaining and for those joining our preschool family, we are looking for parents to join our committee. The preschool is a non-profit organisation that relies on the support of its community to thrive. For more information about roles & responsibilities of becoming a committee member please look out for our AGM email.

All that remains is to wish everyone a safe and happy summer.

Tina and the team.
