

Sharing Information

Each term you will receive feedback on how well your child is developing along; July is when we send out end of year reports to parents. Throughout the year you will be sent updates and targets to help your child achieve their developmental goals. The kind of feedback to expect is

Two Year Progress Check

Before your child reaches 3yrs, we discuss their development within the prime areas of learning both at home and in the setting

Review of Achievements

A brief report outlining their current achievements along with set targets to help achieve developmental goals.

Weekly Facebook Updates

We have a closed family Facebook page for mums & dads only. We regularly post updates of what the children have been doing throughout the week along with photos.

Transition Report/End of Term Report

This is a more in-depth report on what your child has achieved in each area of learning in preparation for the next academic year or school. All reception teachers are invited to preschool to meet your child during their last term with us

In addition to the above reports we welcome parents to have catch-up chats with their child's your key worker either in the morning or at the end of session.

We send out regular updates via the notice board, send emails and share information in our half termly newsletters.

Please be advised that the above information sharing is in addition to the EYFS curriculum, except for the two-year progress check which is statutory.
